

RANCHO VILLA REAL

Rancho Villa Real is master planned luxury community comprised of two separate developments-Escondido and El Rancho and offers three different options for the homeowner and developer. Located near the Costa Rican village of Villa Real and just 5 minutes from Tamarindo, the area's most affluent developing community of the region. Villa Real offers easy access to the area's beach, golf courses and services the area has to offer.

El Rancho offers a combination of 1/2 acres lots and a townhome section, while Escondido has 42 exclusive lots. All this is combined with Club Rancho, the homeowner's private club and center.
